MM Docket No. 93-314

COMMENTS OF TRIGG COUNTY, KENTUCKY

The County Judge-Executive and Magistrates of Trigg County, Kentucky, hereby submit the following comments in opposition to the proposal of Ham Broadcasting, Inc. ("Ham") to have the frequency allocation for Station WKDZ, Channel 292, removed from Cadiz, our county seat, and reassigned to Oak Grove, Kentucky.

During its last regularly scheduled meeting, the Trigg Fiscal Court, consisting of the duly elected County Judge-Executive and the seven (7) Magistrates, voted to file comments and objections with the Federal Communications Commission concerning Ham's proposal to have Station WKDZ reassigned to Oak Grove, Kentucky. A copy of the resolution is attached as Exhibit A. It should be pointed out that the Fiscal Court is the elected governing body for the populace of Trigg County, Kentucky.

Trigg County is a small, close knit community. The total population of the county is approximately 10,250. Because of the small population, most people are involved with

local high school sports, community activities and local elections. We depend on WKDZ FM to provide live coverage of the Trigg County High School Wildcats football and basketball. Our local Rotary Club conducts a week long live radio auction each spring on WKDZ FM to raise much needed funds for the youth and elderly of our community. The election polls, in Kentucky, close at 6:00 p.m. local time. These returns are carried live on WKDZ FM. These are but three examples of important activities that go on in our community that are carried at night on WKDZ FM. Each of these important activities cannot be covered by WKDZ AM, which operates only during daylight hours.

The removal of our FM station will rip a vital part of our community's heart from us. The allowance of such an occurrence makes no sense to our small, rural community. Oak Grove, Kentucky, is a community in the Clarksville, Tennessee-Kentucky Urbanized Area where there are already six (6) radio stations that could adequately cover the activities in Oak Grove, Kentucky. (We believe those stations to be WAPX FM, WCTZ AM, WDXN AM, WJZM AM, WABD AM, and WCVQ FM.)

RESPECTFULLY SUBMITTED,

H. B. QUINN
Trigg County Attorney
